Those transactions have been refunded to the donor's credit card. To reprocess those transactions, please submit as a transaction against your checking/savings account. We apologize for the error. If you use recurring payments please consider deleting your current entries and re-entering as multiple fund transactions in one donation. See John Lawson if you have further questions.

12. **Public Evangelism Fund** Knowing that there is no expectation that everyone in the church can or should give to every financial need, we know that many appreciate being aware when there are specific needs in the budget. As of the end of our Prophecy of Hope meetings, our donations have totaled $52,682. Our total expenses have come in at $55,001 which leaves us with a deficit of $2,319. If you have been blessed by or have a burden for public evangelism please consider making a gift to the Public Evangelism fund.
