

The 2017 donation reports will be produced during the coming week. A new feature of our software program provides that the reports may be sent to the donor by email. As this process will save the church a great amount of postage, it is the Treasury Department's intention to send emailed reports to all donors whose email address is in the church directory.

If you want to receive your report by email and have not provided an email address or your email address has changed since the directory was produced, please send notice of your current email to:

[treasurer@beavertonsda.com](mailto:treasurer@beavertonsda.com)

by Tuesday, Jan 23, 2018.

Any donor for which no email address is available will receive a 2017 donation report by US mail.

If you have questions about this process, please contact the treasurer at the email address above or call the church at (503) 646-9828, ext. 30.
