## Learn how to prepare for a disaster with your neighbors

- When people come together, they can help each other.
- Research shows that organized neighborhoods are less vulnerable to crime and more resilient when disaster strikes.
- The Neighborhood Ready program keeps our community strong by connecting neighbors so they can work together to respond to major storms and other emergencies.
- Connected neighborhoods are not only safe, they're fun!
- If you're ready to **CONNECT** to **PROTECT**, this training is for you!
