"Seeing Us As He Sees Us"

Main Tent Evening Meeting Schedule

Tuesday, July 17- 7:00 pm- 9:00 pm

Part 1- Eyes to See- Dan Jackson

Our vision of the present and the future is often hindered by a wide range of factors. Training, experience, and personal background may lead us to have distorted views of God and how He works with the human family. How does God provide us with the miracle of spiritual vision?

Wednesday, July 18- 7:00 pm- 9:00 pm

Part 2- Trees- Dan Jackson

In ancient days the prophet Elisha was asked to bring a change to the bitter waters of the city of Jericho. In a fascinating demonstration of God's power, the prophet used a tree to purify a stream. How does God use trees in His interchange with us?

Thursday, July 19- 7:00 pm- 9:00 pm

Part 3- Exchanges- Dan Jackson

We are involved in constant transition and change. Life is a series of give and take experiences. For instance, we purchase and then we exchange. Our trades may be good or bad. What about spiritual exchanges?

Friday, July 20- 7:00 pm- 9:00 pm

Part 4- How Far Will God Go?- Dan Jackson

History is filled with human stories of victory and defeat. However, in the gospel of Jesus – hope is offered to every person. Jesus' ministry calls our attention to the fact that if there had been only one person on earth He still would have put His plan into effect.

Main Tent Speaker- Dan Jackson

Beginning Sunday, July 29, there will be a Community Bible Study in the Bible book of Revelation. This study will be every Sunday in the Columbia Room from 10:00 to 11:00 A.M. The importance of the study of the book of Revelation can not be overstated! Can we deny that destruction by nature, crime, and politics in our world today point to the end time biblical prophecies? This will be a study of Revelation chapter by chapter and verse by verse. Those who have studied Revelation chapter by chapter and verse by verse will tell you that this type of study is different from a Revelation Seminar, which covers only the high lights of Revelation.

The Bible book of Revelation has a dual purpose. First, it is a book to reveal Jesus Christ in ways not found in other Bible books! Second, the book reveals prophecies and events of world wide happenings for the past, present, and the future. "Satan has led many to believe that the prophetic portions of the writings of Daniel and of John the revelator cannot be understood. But the promise is plain that special blessings will accompany the study of these two prophecies." PK, p. 547. Come study with us on Sundays.

CARING HEART AWARD

Congratulations, Fernanda Rinza! Fernanda is PAA's winner of the Caring Heart Award from the North Pacific Union Conference and was presented to her at PAA's graduation last month.

Ask anyone who knows Fernanda Rinza, a 2018 graduate, and they'll tell you she sings like an angel. She participated in every music class and club she could join at PAA. Her talents have been frequently affirmed with awards and scholarships. She was even a featured musician at La Sierra University's 2018 Promising Young Artist concert.

But there is so much more. Fernanda's world is her mission field. She quietly advocates for others, reaches out to those in need, leads with a servant-heart, and helps others rise. Fernanda is a forever friend. "Her caring heart has been seen in consistent participation in all facets of PAA life and a willingness to go deeper than ordinarily expected," said Pastor Monte Torkelsen, PAA Chaplain.

From her involvement in athletics, to the international student mentorship club, campus ministries, mission trips and service projects, Fernanda used each opportunity to be a friend to others. Her teachers said she is mature beyond her years and demonstrates what it means to be Christ-centered and character-driven.

Caring Heart Continued . . .

We wish Fernanda well as she will soon continue her education at La Sierra University with a major in vocal performance and a minor in psychology. She hopes to become a music therapist so she can support others in their recovery from psychological challenges. Until then, she uses her love of art and music as a way to extend God's love to others.

WELCOME NEW FRIENDS

We are excited to share that our PAA family is growing with the addition of five new staff members. After months of prayer, we praise God for a new chaplain and a Vice Principal of Finance!

Mackenzie Thompson, our new chaplain, holds a religion degree from Walla Walla University and has spent time mentoring young people at Big Lake Youth Camp and beyond. She served as a chaplain for the Walla Walla General Hospital. And, bonus! Mackenzie is also a certified EMT!

Another search came to a wonderful end as we welcomed Darcie Hordofa as VP of Finance. Darcie has extensive experience working in the banking industry in the Portland area and we're blessed to have her seasoned skills.

Last month we shared the exciting news about three other hires. Brian Gang joins the math and science department. Dr. John Carter will lead our music department while his wife Tiffany Carter will head our development department. We will share formal introductions in August's Headlines and online. Stay updated on this story on our website: www.paasda.org/news.

IMPACT YOUR HEALTH

On August 10 and 12, Impact Your Health is coming to Portland to serve our city's most vulnerable with much needed medical care. The event happens at PAA and gives our school family the chance to make a big difference for local families in need. PAA students earn service credit while volunteers of all ages and skill levels can be a part of this important local mission. From set-up to tear-down, check-ins, security, and childcare there is much to be done! If you'd like to be a part of this great ministry, sign up online at www.ImpactYourHealth-PDX.com/Volunteer.

COUGAR CAMPS FOR KIDS

Only two Cougar Camps are left this summer! Campers make new friends, enjoy snacks, games, and bring home a Cougar Camp T-shirt.
