

THE
REVELATION
OF JESUS CHRIST

Understanding the
BOOK OF REVELATION

Now that the heat wave has declined, tomorrow, Sunday, August 5, we will begin The Revelation of Jesus Christ Community Bible Study in the Columbia Room from 10:00 to 11:00 A.M. The importance of the study of the book of Revelation can not be overstated! Can we deny that destruction by nature, crime, and politics in our world today point to the end time biblical prophecies? This will be a study of Revelation chapter by chapter and verse by verse. Those who have studied Revelation chapter by chapter and verse by verse will tell you that this type of study is different from a Revelation Seminar, which covers only the high lights of Revelation.

The Bible book of Revelation has a dual purpose. First, it is a book to reveal Jesus Christ in ways not found in other Bible books! Second, the book reveals prophecies and events of world wide happenings for the past, present, and the future. "Satan has led many to believe that the prophetic portions of the writings of Daniel and of John the revelator cannot be understood. But the promise is plain that special blessings will accompany the study of these two prophecies." PK, p. 547. Come study with us on Sundays.

Church Picnic

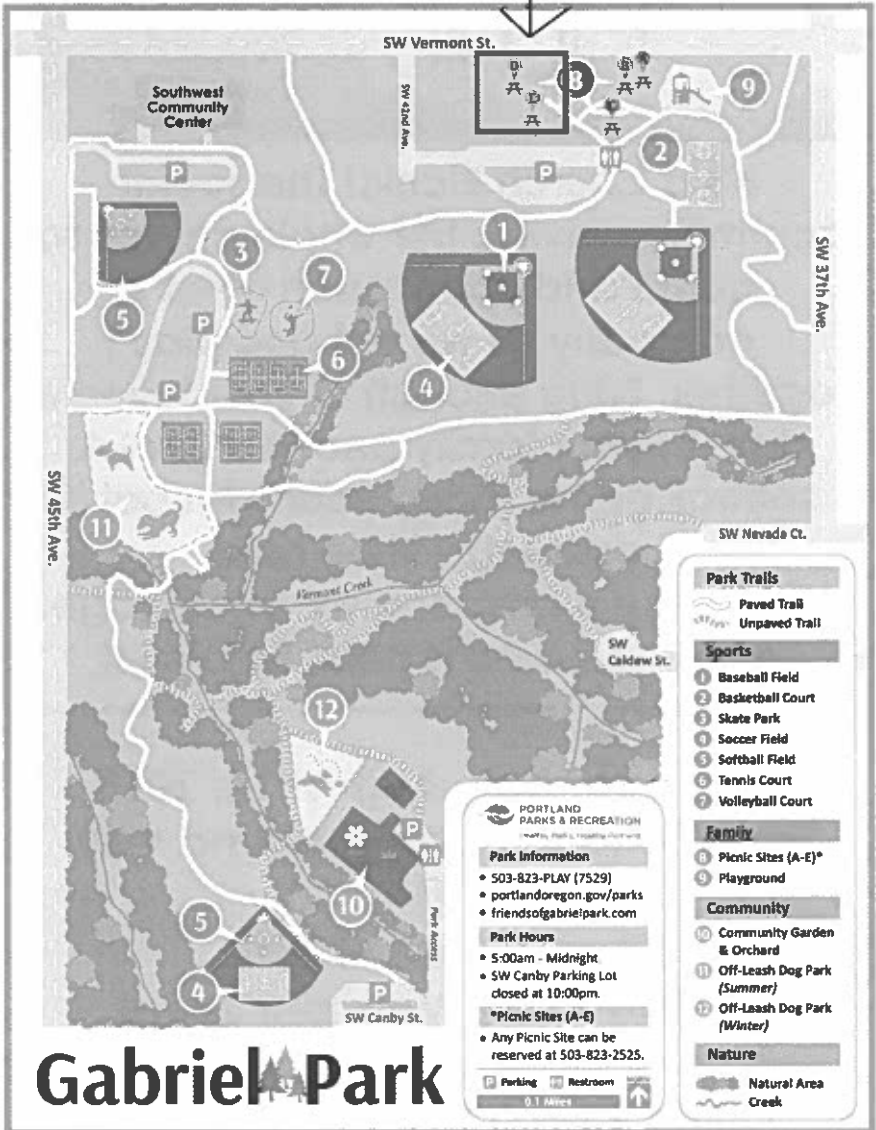

It's a Church Picnic! The social committee invites the whole church to come and enjoy each other's company as we eat and play together. Bring enough of your favorite dish for your family and to share! A softball game (bring your own bat if possible!) will be held before the picnic and we encourage everyone, who is able, to join in!
