NOTES

WELCOME

What does God have for you today? It's the Sabbath and God has promised blessings within it. We invite you to say a personal prayer asking that you might be aware of and receptive to the special blessings God has for you. It may come from His Word being read. It may be a note or lyric within a song. It may be a smile or handshake in the hallways. It may even come in the form of His still small voice. We pray that as you leave this place of worship today your life will have been lifted in God's blessings.
