

BEAVERTON ADVENTIST CHURCH

April 11, 2020

WELCOME

We welcome you to our live-stream worship today as we celebrate our Risen Lord and Savior, Jesus Christ! Without a doubt, the impact this one man named Jesus has had on this world has been without equal or parallel. While there have been other leaders who have lived and influenced humanity, whether it be in a positive or negative way, none of them have died, then risen from the grave. The Resurrection makes ALL the difference. It is what brings light, life and hope to humanity that would otherwise be without hope.

ANNOUNCEMENTS

- 1. Services & Sabbath School-** At this time, we will continue holding services exclusively through our church Live Stream at beavertonsda.com. Sabbath School resources are available through the Hope Channel and Grace Link.
- 2. Called to Grow, Phase II Begins!** As of next Monday, April 13, our Phase II project begins. This is an ideal time to get started because the church is essentially vacant. A small crew of less than 10 workers will begin working on the Fellowship Hall, Upper Hallway including the offices, bathrooms and various closets. All of this is within the Covid 19 social distancing and essential services guidelines. The work crew have the proper permissions and paperwork and are expected to adhere to state expectations for coronavirus safety protocols. Praise God that the church is able to press forward and that we are able to provide employment for a small team of great workers.
- 3. Church Office Hours-** During this time of social distancing and cancelled services, our church secretary will be working remotely from home unless needed physically at the church. E-mail and voicemail are still options for communication. This may change from week to week depending on church needs and government regulations.
- 4. Church App Launch!** The new Beaverton Adventist Church app is now available for either IOS or Android smart phones. Please download it now to join what will quickly become our main way to communicate to the church family. The easiest way is take your smart phone and go to either our church website or main Facebook page and click the links provided. **IMPORTANT:** When prompted to accept notifications, we strongly urge you to **ALLOW** notifications. One of the main goals of this app is to keep you notified of church communications.
- 5. Ladies Prayer Opportunity** Women's Ministry is hosting a weekly Prayer & Connection call and to check the women's ministry Facebook page for more info; or contact me. Either through email chrisaltorfer@gmail.com or 503-849-1311.
- 6. Reach Out** Could we encourage you to prayerfully consider who might need a personal connection right now and to reach out to them? Just ask God to bring a person or people to mind who might need a supportive connection and follow through. Reach out with a phone call, a note, an email, a text or whatever method works.
