

BEAVERTON ADVENTIST CHURCH

June 13, 2020

WELCOME

We are living in polarized times. Society is increasingly fragmented. Jesus, looking forward to even our day, prayed, "I do not ask on behalf of these alone, but for those also who believe in Me through their word; that they may all be one; even as You, Father, are in Me and I in You, that they also may be in Us, so that the world may believe that You sent Me." Jesus' heart desires unity. Followers of Jesus should therefore desire unity. As we digitally assemble together let us unite our hearts with God's heart.

Church Office Hours- During this time of social distancing and cancelled services, our church secretary will be working remotely from home unless needed physically at the church. E-mail and voicemail are still options for communication.

ANNOUNCEMENTS

- 1. Live Stream Services have shifted and expanded.** Please note that a special weekly children's church (see details in separate announcement) will live stream from **10:30a to 10:50a**. Following the new children's church at 10:50a the stream will move to the worship prelude and scrolling announcement followed by our shared worship service at **11:00am**. That means that **church begins 30 minutes early** for the next few months while we find ourselves in this current stay-at-home scenario.
- 2. Children's Church-** We will be broadcasting Beaverton's all-new Children's Church. Little things make a big difference and we hope this little time for our children will make a big difference for the families in our community. Our Children's Church is going to kick off a 12 week series focusing on some of the littlest things around us: bugs! Join the live stream broadcast at 10:30 am next Sabbath to catch Children's Church as we learn lessons from our God's good creation!
- 3. Tech Support For Those Who Are Not Connected.** Right now our main way of connecting is by using technology. If you, or someone you know, are not able to connect to our live-streamed services, our church app or website please let us know! When we have learned about individuals who need help connecting we have been able to get them connected. We can only help if we know about it. Please email office@beavertonsde.com and just let us know the name and we will try to find a way to 'connect' them.
- 4. Photos wanted!** Our sanctuary is about to get some changes! When the dedication of our newly remodeled sanctuary arrives and we are together again we want to celebrate past memories. So many wonderful and meaningful moments have happened in our sanctuary and we want to honor them as we step into a new phase of church life. Please send us your pictures of special memories such as weddings, dedications, birthdays, farewells, choir worship services, plays, etc. done in the sanctuary. **Please submit photos, digitally or hard copy, by June 17** to soapycandle@hotmail.com.
- 5. Tuition assistance applications** for the 2020-2021 school year are now available. If you would like to apply for tuition assistance to attend one of the Adventist schools in our conference, please submit your application to the church office no later than July 13th. Contact Carissa via e-mail at office@beavertonsda.com for an application.

ANNOUNCEMENTS (CONT.)

- 6. Vacation Bible School-** As with many things these days due to the Covid situation we have had to alter our plans regarding VBS this year. The Oregon Conference decided to use the program we had planned this year for VBS for the Oregon Conference Camp Meeting kids program (more on that later). Therefore we will hold off doing that program ourselves until another time. Additionally the Oregon Conference is partnering with the NAD and the Texas Conference to do a Virtual Heroes, family-friendly VBS. We will be utilizing their efforts and partnering with this initiative to provide our community with a unique VBS program. Exact dates and details as to how you can participate with VBS are soon to come.
- 7. CTG, Phase II Progress!** We are fully engaged and making great progress with our shared remodeling project. One of the 'silver linings' of not being able to meet together is that it has allowed us to move efficiently with this project. We are nearly done with the fellowship hall and upper hallway. We are now moving into the foyer, sanctuary, behind the sanctuary and eventually to the down stairs bathrooms. This past week the loan application process was completed and will shortly be funded. Even while the church feels 'shut down' there is a flurry of activity happening! Thank you for support and just remember that at this time every dollar given to Called To Grow is one less dollar that will be drawn for financing.
- 8. Beaverton Adventist Church App** The app is quickly moving towards being our main way to communicate with the church community. We have been hearing great feedback from those who are interacting with it and we value the suggestions and affirmations. Please get connected by going to www.beavertonsda.com to discover guidance on the homepage or by going to your smart phone's App Store and search by typing exactly "Beaverton Adventist Church" with the quote marks. **IMPORTANT NOTE:** When prompted to accept notifications select 'Allow Notifications' in order to be in the flow of communication.
- 9. Re-Opening Church?** We don't know yet. Some churches are beginning to open but as of right now we don't have a date. We are tied to the phases of re-opening of the State of Oregon, Washington County and the City of Beaverton. Whenever the number allowed begins make sense for us to re-open, our church leadership will need to decide if it's the right time for our congregation. When we do re-open we will need to implement rather complicated and comprehensive guidelines as set forth by the Oregon Conference. These guidelines restrict meeting times, enforce social distancing and require significant cleaning all in order to protect our community. Bottom line: be patient. It could still be quite some time before we are truly able to come back together.

ANNOUNCEMENTS (CONT.)

- 10. Faithful Generosity** We very much appreciate your faith generosity in giving. The future is uncertain and returning God's tithe portion and giving to Local Church Budget requires extra trust in God's faithfulness. Thank you for trusting in God's provisions. Also, please remember, if you are able, to give to the Called To Grow budget. This budget is only funded by direct donations and every dollar raised represent one less dollar financed. Please consider utilizing Adventist Giving available via the church website or the newly available app. Also know that our church mailbox is locked so mailing in offering and tithe is secure. Thank you so very much.
- 11. Blood Drive-** On Thursday, June 18th, the church will host a Red Cross Blood Drive in the Columbia Room. The Red Cross is using strict regulations to keep everyone safe. Please consider donating and making a life-saving difference in someone's life.
- 12. Hardware Available-** Because of the renovations, we have handicap rails available. There are 5 in various sizes. Please contact Charles Powers for questions and more information.
- 13. Ladies Prayer Opportunity** Women's Ministry is hosting a weekly Prayer & Connection call and to check the women's ministry Facebook page for more info; or contact me. Either through email chrisaltorfer@gmail.com or 503-849-1311.
- 14. Please continue to join Bret & Chris McKay** for the 100 Days of Prayer – "Calling on Jesus in Our Urgent Need". This continues nightly at 7pm to 8pm. You're free to join in anytime during the hour, whether it's for 5 minutes or the whole time. Pray out loud or Pray silently as others Pray and Read Scripture. To join the Prayer Call Dial 978-990-5000 & Enter Code 248587#.
- 15. Community Services Support** Our Community Services is actively serving many many families. If you feel compelled to support this ministry with donations, the most pressing need at this time are both personal care items (toothpaste, soap, etc...) and cleaning supplies such as disinfectant wipes. There is also a need for plastic and paper grocery bags. ***Clothing donations are now being accepted. Please NO other household items.***
- 16. TVA Registration-** Enrollment for 2020-2021 year is now open! Call 503.649.5518 for more information.
- 17. Reach Out** Could we encourage you to prayerfully consider who might need a personal connection right now and to reach out to them? Just ask God to bring a person or people to mind who might need a supportive connection and follow through. Reach out with a phone call, a note, an email, a text or whatever method works.

PRAISES & REQUESTS

- Prayers are requested for Ken Reetz, a former attendee. Ken has Stage 4 lung cancer and he is not expected to live more than a few weeks. Ken asks that we especially pray for his wife, Margo, as she endures this incredibly difficult trial.
- Pray for Yvonne Ferguson who suffered a seizure this past week. She has had a permanent pacemaker put in and has been transferred to an acute rehabilitation center with hopes to get her back to health as soon as possible. Please pray for Yvonne and for her doctors as they all work to get her back to health. It is likely that she will remain in Arizona, with her son, for at least 5-6 months.
- Praise the Lord! After twelve months of tests, surgery and treatments for breast cancer I thank my Heavenly Father for complete healing. I was a new member to the BSDA when all this came upon me. Your prayers and words of encouragement gave me the strength to fight this. Thank you for such a beautiful welcome to be a part of this wonderful church family. ~Shirley Foster
- Praise! We are so thankful to our church family for standing with us in prayer through Washington's cancer journey. He is doing well and has gone back to work. The next step will be surgery but for now, the doctors are giving his body a chance to rest and recover after the chemo and radiation he went through. ~The Bakira Family
- Please pray for the nephew of Rose Frizzell who had previously lost his father, Rose's brother, and has now lost his mother. He will be graduating on June 13th in Wyoming and Rose will be joining him. Pray for this dear family as they grieve this loss and celebrate this accomplishment all at the same time.
- Pray for Susan Schonbachler. She fell recently and suffered bruises, cuts and a knee injury. She has not been able to walk and will be entering rehab.
- Re-Opening Please pray for wisdom and guidance that is very much needed for our church leadership to discern both when to re-open and how best to re-open.
- Pray for Anne Saul as she continues treatment for Ovarian Cancer. Her chemo treatments have been going well but it has been very difficult for her. She had surgery to remove the cancer but they were not able to remove all of it. Pray for the healing hand of God and the comfort of the Holy Spirit to be on her during this time.

PRAISES & REQUESTS

- Pray for Pastor Julius Jones as he deals with caring for his wife, Joyce, and with his own health problems. Please pray for wisdom for his doctors and for the strength and comfort of the Holy Spirit to be upon him.
- Praises that Steve McKeone's recent surgery went well and that he was able to return home. Pray for his continued recovery process.
- Pray for Gladys Hernandez who needs much prayer support. Gladys had her surgery recently. Pray for her recovery and ongoing medical needs. Pray for her grief as she lost her brother, Orlando, to Covid19 and is just overall carrying a heavy load in life. Pray for God's healing, strength and peace.
- Pray for Rose Scarce who test positive on her second Covid19 test and continues to deal with symptoms. She is in doctors care but very much desires lots of prayer.
- Pray for Janet Robinson. She continues to recover from Covid 19. She is still testing positive so needs to spend more days in quarantine.
- Pray for Sharon Zull who is living in a long-term hotel due to leaking water making her house uninhabitable and insurance refusing to pay the cost of repair.
- Pray for all of those who have been affected by this virus. Pray for our world and that the love of God and the Hope of our salvation will remain strong. Praise the Lord that our church family who have already been diagnosed with this virus are now on the road to recovery or have recovered from it.
