

BEAVERTON ADVENTIST CHURCH

February 6, 2021

Welcome

Whether you are home today or in this place of worship we want to welcome you with these words written in Hebrews 12:28 (CEV), “ We should be grateful that we were given a kingdom that cannot be shaken. And in this kingdom we please God by worshiping him and by showing him great honor and respect.”

We come together today to worship God by giving Him our respect and honor. God deserves our whole heart, mind, and soul for all that He has done for us. We have been given citizenship in His kingdom of love and grace that alone should bring us to worship Him.

PRAISES & REQUESTS

- Please pray for Jody Neufeld and her family. Jody received a call from her doctor and learned that she has lung cancer. She will be having a pet scan to see if it has spread. If it has not spread the prognosis is good. If it has spread the treatment plan will be more challenging. Jody shared that she is at peace with whatever will be, she knows God will carry her and her family through. Jody also expressed how thankful and blessed she is to have so many wonderful friends and awesome family. *2/6*
- Sallie Settles sister, Pat, continues to need prayers. She is still in the hospital and this is day number 12. She has had many blood tests and procedures and is still undiagnosed. She is very sick and weak. The Springfield hospital requested she be moved to OHSU and the move was approved. The problem for the last few days is that there are no beds available at OHSU. Pat will be transported as soon as a bed is for her. Please continue to pray for Pat, Alan, the family and also wisdom for the medical teams to find the answer. *2/6*
- Please continue to keep D'Leah and her daughter, Nichole, in your prayers. D'Leah is now facing very hard decisions and needs God's help. We need to pray hard for God's will to be made evident. Words are hard to express how difficult this is for a mother. *1/23*
- Please pray for Janet, the daughter of Gloria (Sallie Settle's friend.) Janet was diagnosed with 3 tumors (2 pressing against the spinal cord and 1 pressing against her aorta) a couple of months ago. She had surgery on Jan 20th, at Simon Cancer Center in Indiana. Please keep her in your prayers and thoughts. Also, please pray for Gloria and the medical staff. *1/23*
- Cindy Mohr requests continued prayers as they are receiving updates regarding her grandbaby Lucy. Sadly genetic testing confirms she has Krabbe Disease which destroys the protective coating (myelin) of nerve cells in the brain and throughout the body. There is no cure and treatment focuses on supportive care. Prayers for Lucy and her parents are greatly appreciated as they navigate this most difficult time. *1/16*
- Jackie Wilcox would like prayer for Jenn Silva, the daughter of a friend, who is quite ill with a lung issue which is not COVID. Pray for healing and God's blessings. *1/16*
- Re-Opening Please pray for wisdom and guidance that is very much needed for our church leadership to discern both when to re-open and how best to re-open.
- Pray for all of those who have been affected by this virus. Pray for our world and that the love of God and the Hope of our salvation will remain strong. Praise the Lord that our church family who have already been diagnosed with this virus are now on the road to recovery or have recovered from it.

PRAISES & REQUESTS

- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you!*
