PRAISES & REQUESTS

- Prayer requested by Harry Dexter for his friends Lou and Lois. Lois had a fall from a step stool a couple of months ago and had been on our prayer list. She has failed to improve and remains paralyzed from the neck down. Lou is going to have to sell their home and move them to an assisted living facility. Please pray for God's guidance and blessing as they have to make many changes. 9/18
- Update for Les and Cheryl Sturges. Les remains in Tuality Hospital. Plans are now that he will be transferred to a memory care facility here in Hillsboro rather than in Milwaukie. He is still unable to have visitors. Cheryl is working through several things to try and sell their home and find other options for her housing. Please continue to lift them up in prayer. May God bless each of them in the ways they need most. 9/18
- Update from Rika Lee: She states: "I've got good news on my family. Both my parents have moved back home last weekend. My Mom's symptoms seem to be stabilized. The medications are working well for her. She is gaining strength and doing her normal activity in the house. My Dad has practiced walking with the walkers. My sister Villa's seen the doctor on Friday and said she does not need to have surgery at this time. The leftover appendicitis is getting smaller and smaller. We can check back within a year or so. She looks good and healthy. She has no pain or fever. God definitely answers all our prayers. Thank you so much." 9/18
- Sandra Duke's cousin Debbie, who lives in Texas, passed away on August 30th after several weeks in the hospital, on a ventilator with Covid. She was a school teacher getting ready to retire & hoping to travel. Please lift up her family in prayer as they mourn this loss. 9/4
- Praise and request from Joanne Marks for Frederick Hamlin. "Praise for all the people who demonstrate God's love to us. Prayers for pain relief & healing for Frederick Hamlin for cancer. We are so grateful for all the blessings we receive every day of living. We miss seeing everyone & hope to be at Sabbath in person soon."
- Please pray for Clara Kelly's friend, Ron, who has suffered two severely broken arms recently. As a result of the lack of mobility, he also developed a DVT which was so extensive, it required surgery to remove it. The swelling from the blood clots has damaged the valves in his legs, so that the return flow is seriously diminished. Please pray for his wife, who is his only care giver and her health is also not the best. 8/28

PRAISES & REQUESTS

- Prayers requested for Cby Bailey's son, Danny. Danny had emergency surgery at Peace Health in Vancouver due to a wound on his right foot causing sepsis. His right leg had to be amputated to save his life. Pray for his recovery and protection as the hospital is overwhelmed with COVID patients. 8/28
- Carolyn Force's brother-in-law, Wayne, was involved in a serious accident which required LifeFlight to a hospital in Nebraska. He suffered multiple tendons being pulled from his pelvis requiring insertion of a metal plate to stabilize his pelvis. He also had a ruptured bladder requiring surgical repair. He is doing well at this time. Pray for his recovery. 8/28
- Bret McKay's older brother Gardiner is having some new health issues as he has lost hearing in his right ear, some hearing in his left ear, and feels that is getting worse. He is seeing an Otolaryngologist to have some test done to see what is causing the issue. Also continue to pray that his kidneys will start functioning properly so he won't have to continue Dialysis 3 times a week. Thank You for your continued prayer on his behalf. 8/21
- Update for Gary Likes: Praises for Gary Likes. He was admitted to the VA hospital on August 14th. He was found to have a blood clot in his heart from the earlier heart attack. He was placed on anticoagulants which caused internal bleeding requiring two units of blood transfused. Two bleeding ulcers were clipped. Recovery has progressed and he was able to be discharged home on 8/23 with Home Health nurse visits and home Physical Therapy. Praise God for answered prayers. Continue to pray for his recovery. 8/28
