

BEAVERTON ADVENTIST CHURCH

January 30, 2021

Welcome

Thank you for joining us in worship today!

Psalms 148:7-8 poetically portray that praise to God rises from the earth and the depths of the sea. In poetic language we also read that even fire, hail, snow, clouds and the windstorms fulfill God's word. What this means exactly is open for understanding but certainly it reveals that God's word holds power and He is worthy to be praised. Let's worship God Almighty with hearts of praise in this Sabbath day.

We have been hearing great feedback from those who are interacting with it and we value the suggestions and affirmations. Please get connected by going to www.beavertonsda.com to discover guidance on the homepage or by going to your smart phone's App Store and search by typing exactly "Beaverton Adventist Church" with the quote marks. **IMPORTANT NOTE:** When prompted to accept notifications select 'Allow Notifications' in order to be in the flow of communication.

When we have learned about individuals who need help connecting we have been able to get them connected. We can only help if we know about it. PRAISES & REQUESTS

- Sallie Settles sister, Pat, is in need of prayers. She is in the hospital and they haven't been able to diagnose what is wrong. All we know as of now is that she has an infection somewhere. She has had a variety of tests including a bone marrow biopsy today. Please pray for Pat, her husband, family and especially for the medical team to have wisdom in helping her. 1/30
- Please continue to keep D'Leah and her daughter, Nichole, in your prayers. D'Leah is now facing very hard decisions and needs God's help. We need to pray hard for God's will to be made evident. Words are hard to express how difficult this is for a mother. 1/23
- Please pray for Janet, the daughter of Gloria (Sallie Settle's friend.) Janet was diagnosed with 3 tumors (2 pressing against the spinal cord and 1 pressing against her aorta) a couple of months ago. She had surgery on Jan 20th, at Simon Cancer Center in Indiana. Please keep her in your prayers and thoughts. Also, please pray for Gloria and the medical staff. 1/23
- Cindy Mohr requests continued prayers as they are receiving updates regarding her grandbaby Lucy. Sadly genetic testing confirms she has Krabbe Disease which destroys the protective coating (myelin) of nerve cells in the brain and throughout the body. There is no cure and treatment focuses on supportive care. Prayers for Lucy and her parents are greatly appreciated as they navigate this most difficult time. 1/16
- Jackie Wilcox requests prayers for her daughter, Heather, who lives in Alaska. She had surgery last Friday. Please pray for strength and healing as she recovers. 1/16
- Jackie Wilcox would like prayer for Jenn Silva, the daughter of a friend, who is quite ill with a lung issue which is not COVID. Pray for healing and God's blessings. 1/16
- Praise and prayers for Heidi Calhoun, Sallie Settle's daughter. Tests have revealed that she does not have cancer. She has another medical condition which is easily treated. Praises to the Lord for answered prayers. 1/16
- Prayers for Sallie Settle. She has seen two orthopedic surgeons who have found that the injury to her "pinky" finger is severe and may not be repairable. She could lose the use of that finger. 1/16
- Re-Opening Please pray for wisdom and guidance that is very much needed for our church leadership to discern both when to re-open and how best to re-open.

PRAISES & REQUESTS

- Pray for all of those who have been affected by this virus. Pray for our world and that the love of God and the Hope of our salvation will remain strong. Praise the Lord that our church family who have already been diagnosed with this virus are now on the road to recovery or have recovered from it.
- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you!*
