## May 14, 2022

### Welcome

Welcome and Happy Sabbath! We are blessed today. As we share in the worship experience you will notice that our children are leading us. We value our children so much! They are a gift to our entire church family. Today as they pray, share, read, and sing let's just appreciate them. # PRAISES & REQUESTS

- Pastor Julius Jones's wife, Joyce, has been on hospice care. Recently, the hospice nurses have said that Joyce probably has only 5-7 days to live and recommended that she be moved to a nursing home. This happened on Thursday, 5/12. Pastor Julius is asking us to please pray for Joyce, himself, the family and the medical team taking care of her. *5/14*
- Update for Deputy Michael Trotter, involved in a severe accident on April 26th at Murry and TV Hwy. Many praises to God for hearing and answering our prayers. Deputy Trotter has been through many surgeries to repair the extensive injuries he sustained. He was able to be removed from the ventilator yesterday and is now talking. He is facing a long recovery but certainly making progress. Please continue to lift him up in prayer. *5/14*
- Update on Jenna Silva from Jackie Wilcox: "Spoke with Jenna's dad this week. Mike told me that he offered his liver, his lung, any body part that would help. However, Jenna is so full of cancer that they would never do a transplant on her, he was told. We need a miracle that only God can perform. I certainly appreciate everyone that has prayed for Jenna. I know she's been alive this last year on prayer. God bless each of you as you pray for that miracle with me." *5/7*
- Gail Long (a former member of Beaverton) and her husband Mark Ubois need our prayers. Mark is currently in the hospital with low blood pressure and complications related to diabetes. He is also having a lot of pain. Let's lift him up in prayer for healing seeking guidance for his physicians. May he and Gail be filled with peace, may their faith be strong and may they feel God working in their lives. *5/7*
- Update on Jared Batiste from Joanne Marks - he did not have a stroke. He had a rare hemiplegic migraine. His recovery time should be shorter but still lots of physical therapy to get his left side back in action. This is great news! Thanks to everyone for your continued prayers. I love the reassurance of knowing we are all praying for each other. Praise the Lord! *5/7*
- Urgent prayer is requested for Mark Wagner. Early in the morning of April 24 Mark had a stroke involving a minor artery in his brain and physicians were not able to remove any clot. Mark has been left with left sided weakness. He is able to get out of bed with assistance and a walker. He remains in St. Vincent hospital and they are looking for a rehabilitation facility to allow him to get Physician and Occupational Rehab. His daughters have flown in to help with needs at home. Please pray for Mark's full recovery from this stroke, peace and strength to meet the needs of Rehab. Pray for his family during this difficult time. May God draw close to each of them. *4/30*
- Update from Jackie Wilcox regarding her nosebleed. She experienced another nosebleed on 4/28 and was again having difficulty getting it to stop.

# PRAISES & REQUESTS

- Update from Joanne Marks: "Gratitude for prayers & helpers as I am getting closer into compliance with apartment requirements. They have given me some extra time & will inspect weekly. I believe this is doable now. I am so grateful. I will still need help moving things to storage & maybe help moving out of the apartment within a reasonable time. I am grateful that management is now working with me rather than threatening legal action & eviction. Thanks to all who are helping me physically & to everyone praying for a good outcome for management & for me. I love the way God can bring cooperation where there was fear. Hallelujah!" 4/30
- "Please keep my family in prayer. As we have just suffered the loss of my mother Harriet Pflugrad (Pam Blackburn's mom's, Michael Blackburn's Grandmother) on Easter Monday 4/18/22. After several months of declining health issues. Thank you, Kathy Pflugrad" 4/23
- Susan Schonbachler is one of our church members who has been in a Rehab Facility after a fall a year and a half ago. Susan passed away unexpectedly on April 15. Please pray for her only relative and sister, Bonnie, who hadn't been able to see Susan for many years. A small remembrance service is being planned for this Sabbath. 4/23
- Pray for all of those who have been affected by the war in Ukraine. Lives lost on both sides, families torn part, cities destroyed, overwhelming destruction, such evil on display. God, please bring a quick end to this conflict, heal those nations, we pray.
- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you.*
