

BEAVERTON ADVENTIST CHURCH

May 28, 2022

Welcome

Welcome to a time of worship. We are glad you are here today. This past week we were once again confronted with the deeply broken realities in our world. The shooting that took place in a Uvalde, Texas grade school just rips our hearts with the ugliness of sin and death. Should we pray? Yes, prayer is not trite and useless. Prayer is impactful and makes a difference. This is also a time to re-anchor faith in Christ. It is often easier to trust in God's when the light is shining. But we must also lean into faithful trust when darkness rears its oppressive head. We pray, "God, in the midst of this dark tragedy please shine light, strength and hope. Come quickly Lord Jesus."
