PRAISES & REQUESTS

- Prayer request from Cindy Mohr: I'd like to request prayers for my little granddaughter Lucy. She was admitted to Randall's Children's Hospital early Sabbath afternoon with breathing issues and a fever. She seems to have lots of secretions/congestion so she will be getting breathing treatments. Lung scan didn't show anything looking like pneumonia. Doc put her on antibiotics anyway just in case. She is on bi-pap machine which is very helpful with her breathing. Please pray she will respond well to treatment and be able to go home soon. (10/8)
- Update on Heather O'Neal's friend Lila. Lila had a successful aortic valve replacement and had been home recovering. Since then she had extreme chest pain and dizziness, called 911 and was taken to the hospital. At this time, they know her heart was not beating properly, so working to correct that and also running other tests. Please keep her and her husband Nedjo in your prayers. (10/1)
- An update from Harry that his sister-in-law, Gloria's, sister's husband, Mark, was rushed to the hospital because of blood loss. Harry is requesting prayer for Mark, his wife, Bernedette and their family. Mark appears to have something wrong with his heart and has been transferred to Kaiser Hospital in San Francisco for further evaluation and treatment. Mark does also have a cancer diagnosis. Please continue praying for God's guidance and care. 9/24
- Urgent prayer requested for Cesar and Ruth Aranda's granddaughter, Aria. The pathology results were given to them on Thursday. The tumor is a type of Glioblastoma, one of the worst type of cancers. It will require aggressive treatment with chemo and radiation and even then, has a poor survival rate. Truly, we need a miracle from God to help this sweet little girl. Please pray for God's intervention. Pray for wisdom for the physicians providing care and making decisions. Pray for her parents, Erica and Chad, grandparents Cesar and Ruth. (9/24)
- Asking for healing, support & guidance for David Hall. He is fighting stage 4 lung cancer & complications & wants to live & see his daughter graduate at the end of this high school year. I love this family & hope this dream comes to pass. God can do amazing things! Thanks for your prayers. (9/12)
- Please continue to pray for Donna Dondino, Matthew Wilson and Al Hess, as all three are going through the grieving process after the recent deaths of their spouses. May God bless them with comfort and peace during their grief. Let's surround them with love and support. (9/12)

PRAISES & REQUESTS

- Ben Weakley and his wife, Katelyn (she is the pastor at Mt. Tabor) request prayers. Ben recently received the diagnosis of a rare form of lymphoma. He was getting radiation treatments and now it looks like the treatment plan needs to change and they are meeting with the oncologist to discuss. Please pray for wisdom and guidance as they navigate the cancer journey, gather information and make decisions.
- Alisha and Jason Goddard - The Goddard's are very close personal friends of Pastor Rodney's Aunt and Uncle in Ohio. Recently this family suffered a terrible tragedy when their 19 year old son was killed in an automobile accident. We do not know this family personally but it is all too easy to feel their pain. Let's just offer a simple prayer that God would grant them His best during this very difficult time of loss.
- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you.*
