

BEAVERTON ADVENTIST CHURCH

November 5, 2022

Welcome

Good morning! Some times repetition is a good thing! It helps ideas sink in better. What follows is exactly what was shared last Sabbath because it is worth repeating.

Robert Murray M'Cheyne was a minister in the Church of Scotland from 1835-1843. He lived a relatively short life of only 30 years. In his short-lived ministry, he left his contribution to the Kingdom of God. He was known as a well-spoken preacher, a gifted poet and man of deep prayer. One choice quote that is attached to his legacy concerns our calling to bring God's love to the those who do not yet know Him. Listen to Pastor M'Cheyne words, "The Christian is a person who makes it easy for others to believe in God." May today's worship bless your life in such a way that we are better able to help others come to know God's love.

PRAISES & REQUESTS

- Shaun Fitch was recently diagnosed with stage 2 oropharyngeal cancer. Radiation and chemotherapy treatments will begin soon, and the anticipated prognosis is relatively positive. Shaun and his family are prepared to get through this challenge, and very much appreciate your prayers. ^{11/5}
- New update from Cesar Aranda on their granddaughter, Aria. "She is gaining strength every day. She started her treatments a week ago and has had very mild effects from the radiation and chemo, and has not lost her hair so far. We are praising God for answering our prayers. Every day is an answer to prayer as we see our granddaughter recovering and getting stronger. Seven more weeks of treatments and praying that God gives her strength," Please continue to pray for this family. ^(10/30)
- Jackie Wilcox needs our prayer for a severe headache lasting more than 36 hours. We have helped her pray for a number of other people, now we can lift her up to our Heavenly Father. May she find relief from her pain and resolution for whatever is causing her headache, as we lift her up in prayer. ^(10/30)
- Jackie Wilcox has sent an update on her friend Jenna and three new requests:
1. "Praises for what loving, glorious Jesus is doing for Jenna. We've been praying since 4/21 when stage 4 cancer was discovered in her colon, liver, Fallopian tube, and later her lung. At that time her cancer load was 875. Her latest reading this week, before her treatment up in Renton Washington, was 28. Glory to God. I'll be so grateful when this horrible time is over for her and we can report a "0" reading with great blood levels!!! She's alive on prayer so please, please keep praying." 2. "Friend of 40 years, has breast cancer and will be in surgery 11/28, followed by radiation." 3. "My good friend Susi son Mark. His business partner was killed suddenly on a motorcycle in Las Vegas a few days ago. Mark is a believer but not in a relationship with Jesus. We are praying, as this was such a close to home hit, that he turns his life over to Christ." 4.
