

BEAVERTON ADVENTIST CHURCH

April 1, 2023

Welcome

Sabbath Blessings! Take a moment and consider the following words: “The Communion service points to Christ’s second coming. It was designed to keep this hope vivid in the minds of the disciples. Whenever they met together to commemorate His death, they recounted how, “Then He took the cup, and gave thanks, and gave it to them, saying, “Drink from it, all of you. For this is My blood of the new covenant, which is shed for many for the remission of sins. But I say to you, I will not drink of this fruit of the vine from now on until that day when I drink it new with you in My Father’s kingdom.” (Matthew 26:27-29) In their tribulation they found comfort in the hope of their Lord’s return. Unspeakably precious to them was the thought, “For as often as you eat this bread and drink this cup, you proclaim the Lord’s death till He comes.” (1 Corinthians 11:26) Desire of Ages 659

PRAISES & REQUESTS

- Please pray for Charlotte Miles. She was admitted to St. Vincent Hospital Wednesday, March 29, for new onset Atrial Fibrillation. She will have a cardioversion procedure to restore her normal heart rhythm on Friday. If all goes well, she will be able to return home on Sabbath afternoon. (3/30)
- Please pray for Marge Bartel and Penny Messenger. Marge was taken to the hospital (in Arizona) for a couple of days this week with severe pain not allowing her to get out of bed. She is now home and has been placed on hospice care. Her prognosis remains unclear at this time with additional information pending. Please pray for good pain relief, wisdom for her physicians and caregivers, and blessings for Penny as she helps navigate this downturn in her mother's health. (3/30)
- Update for Jan Pullen. Jan is home, gaining strength, and able to walk more. PET scan indicates her cancer is in remission. She does have some other medical issues and pending studies which likely will lead to consider another surgical procedure. Please keep her in prayer as she has a couple more studies. (3/30)
- Update for Bernadine Carr. Praises to God for answered prayers. Bernadine is now home and feeling much better. Please continue to pray for full healing of her lungs. (3/30)

- Update and request from Cesario: " Haydee's mom (Alicia) update: It's been tough these last couple weeks with Haydee's mom. She is now back at the hospital and not doing well. Her lungs will eventually stop functioning. Doctors have said there is nothing else they can do. Please pray that it is God's will. Pray that she will be comforted by God's mercy and love and that He gives her peace. Please also pray for our family as well, as we go through this period. (3/22)

We have found out that Dorothy has been having severe back pain and spasms for about three weeks and unable to come to church. Let's lift them up in prayer asking for God's blessings and relief from pain. (3/16)

PRAISES & REQUESTS

- CC sent in the following request: “Please pray for my brother George that God will heal him of his severe pain and to restore his health and also that God will bless the doctors with wisdom and that they will know what is wrong with him so they can help him. Please pray that God will help George make whatever changes he may need to be healthier and to help him live pain free.” (3/15)
- Fely Magallanges requests prayer for her cousin Cris Fernandes, who was visiting the Philippines last month; and after having had remodeled the family house, suffered from a hemorrhagic stroke. Had a drain and bleeding stopped. His daughter was able to fly in from the US and when he was able, she transferred him to a larger hospital with more advanced care. With therapy, he is making progress and was recently able to stand for about 8 minutes. He is now able to swallow foods like yogurt. It is hoped that he will be strong enough to be able to return to the US in a couple of months. Let’s pray for his ongoing recovery, wisdom for his physicians and caregivers. May God bless and provide strength, and courage to work through all the therapy needed. “Please also pray for a dear one who wants to remain anonymous, a 20-year-old, having seizures which started in 2021 at 6-7 month intervals, but this January, had 2 in 13 days. He passes out before each seizure, which is very scary.” (3/17)
- Pray for all of those who have been affected by the war in Ukraine. Lives lost on both sides, families torn part, cities destroyed, overwhelming destruction, such evil on display. God, please bring a quick end to this conflict, heal those nations, we pray.
- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you.*
