He was a member of our church for decades, easily over 60 years! His pleasant demeanor, fun jokes, deep intelligence, contagious faith, and all around friendship will be missed. However, the resurrection will come and Luther will be among those who are lifted from death and into everlasting life.

If you are not getting the notification be sure to turn on notifications in the app. Just tap on the three horizontal lines in the upper left hand corner, tap 'Notifications' and then make sure the toggle is selected to show green for 'General'. Otherwise, you can also tap the 'Media' button on the center/bottom of the home screen and the entire 'One Take' archive is available.

# PRAISES & REQUESTS

- The Wendt family requests prayers for Hayden. Hayden will be having surgery on Tuesday, 7/18, to deal with his seizure disorder. We are specifically praying for no complications and that it will completely cure his seizures. (7/12)
- Cindy Mohr requests prayer for her very dear friend, Robin. She had emergency colon surgery on Saturday (7/8) and will be living with a colostomy for 6-9 months. Please pray there will be no complications during this time and for healing and encouragement. Robin lives alone but has family and friends 2-3 hours away. Cindy also requests prayer for her sister, Kathy. She will be having an MRI very soon for something which she has been dealing with for a year. She thought she needed new glasses but that did not resolve the issue. Kathy is very nervous about the procedure. Please pray for peace and courage and that she will realize God is always with her no matter what happens. Pray for God to restore her to good health. (7/10)
- Sallie Settle is having severe back pain and spasms. She had x-rays and a couple of CT Scans today and is hoping to find out more information as to a diagnosis and treatment options tomorrow. Pray for relief from pain, a good outcome of the studies and wisdom for her physicians. (7/10)
- Jackie requested an update on her friend, Jenna. Wednesday, 7/5, Jenna had a severe allergic reaction to her chemo treatment. She was given Benadryl and a second medication to help counteract the allergic response. They also gave her some bone marrow stimulating shots which are very painful. Today, she said she is praying for relief from "horrid pain". Her faith remains strong and they are "standing on the rock claiming what Jesus did!" Please lift her up in prayer for relief from her pain. (7/9)
- Sharon Zull requests prayer for Kim Stone a past Beaverton Sign Language Interpreter and daughter of Robert Stone, "received word today (June 21) that her doctors recommend a kidney transplant.
