

# BEAVERTON ADVENTIST CHURCH

## August 5, 2023

### Welcome

Welcome! We are so glad that you are here today. We pray that your presence in our community will be a blessing to others and that you receive a meaningful blessing from others. God invites us to live according to His ways. His ways are for not only our good but for the good of others. And God's love for us promises that faithfulness brings heavenly reward. Let us be faithful to God in all that we do. Paul put it this way in Galatians 6, "Don't get tired of helping others. You will be rewarded when the time is right, if you don't give up."

# PRAISES & REQUESTS

- Update on Hayden Wendt. The surgery for Hayden went well and he was able to be discharged to home on Friday (7/21). He is doing very well, but tired a lot which is normal with the type of brain surgery which was performed. He has no deficits and pain is controlled with Tylenol and Ibuprofen. The Wendt family expresses great appreciation for how our church has shared their love through prayers and reaching out to them. Cessation of all seizure activity will not be known for up to a year as healing takes place and medications are weaned. Let's lift up Hayden as his recovery continues. (7/25)
- Cindy Mohr requests prayer for her very dear friend, Robin. She had emergency colon surgery on Saturday (7/8) and will be living with a colostomy for 6-9 months. Please pray there will be no complications during this time and for healing and encouragement. Robin lives alone but has family and friends 2-3 hours away. Cindy also requests prayer for her sister, Kathy. She will be having an MRI very soon for something which she has been dealing with for a year. She thought she needed new glasses but that did not resolve the issue. Kathy is very nervous about the procedure. Please pray for peace and courage and that she will realize God is always with her no matter what happens. Pray for God to restore her to good health. (7/10)
- Sallie Settle is having severe back pain and spasms. She had x-rays and a couple of CT Scans today and is hoping to find out more information as to a diagnosis and treatment options tomorrow. Pray for relief from pain, a good outcome of the studies and wisdom for her physicians. (7/10)
- Jackie requested an update on her friend, Jenna. Wednesday, 7/5, Jenna had a severe allergic reaction to her chemo treatment. She was given Benadryl and a second medication to help counteract the allergic response. They also gave her some bone marrow stimulating shots which are very painful. Today, she said she is praying for relief from "horrid pain". Her faith remains strong and they are "standing on the rock claiming what Jesus did!" Please lift her up in prayer for relief from her pain. (7/9)
- Pray for all of those who have been affected by the war in Ukraine. Lives lost on both sides, families torn part, cities destroyed, overwhelming destruction, such evil on display. God, please bring an end to this conflict, heal those nations, we pray.
- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you.*
