

BEAVERTON ADVENTIST CHURCH

October 7, 2023

Welcome

It has been said in many different ways by many different people across many different times that one of the greatest of human needs is to be known. When a person feels connected to others in a way that is authentic it feeds their hearts. But person to person knowing is limited to our humanity. Did you know that God knows you fully and He loves you perfectly? The Bible says that those who love God are known by God. (1 Cor. 8:3). Today as we worship God together may you experience a connection with the all-knowing and all-loving God.
