

# BEAVERTON ADVENTIST CHURCH

## October 14, 2023

### Welcome

Happy Sabbath! Honestly, it is easy to take the value of Christian community for granted. When engaging the interpersonal and collective connections of church life there are many benefits. We encourage each other to hold hope in Christ. We foster in one another greater trust in God. We experience love and share love. We intend that our times of worship and fellowship compels us to continue doing good in our lives. Church doesn't always work the way it ideally should but we genuinely, together, should continue to strive for all that God intends it to be.
