

BEAVERTON ADVENTIST CHURCH

March 2, 2024

Welcome

Welcome! Are you tired? Are you weary? Are you grateful for the gift of Sabbath? Consider that our God is a gift-giving God and one of His first gifts ever given is the Sabbath. In the time frame of Sabbath God grants us His special presence. God is our rest. God is the One who renews our strength. All of this is tucked within the following, "Sabbath is not about resting perfectly. But resting in the One who is perfect." Happy Sabbath.

PRAISES & REQUESTS

- Marsha Cordova, Jan Hatcher's mom, has been in the hospital in Phoenix for over a week. The doctor said that she has only a few days to live. Please pray for the family and for peace for Marsha. (2/29)
- Update: Mark Zyhylij requests prayer. He fell twice Tuesday morning, 2/27, due to dizziness. He was taken to St. Vincent Hospital for evaluation and is now back at home with a report that "everything is fine". He appreciates our prayers. (2/27)
- Update from Mark Zyhylij on his roommate, Scott. He is recovering well and is now back home. (2/27)
- Gil Messenger requests prayer for healing. He has been ill all this week and went to the ER yesterday (2/22) where he was found to have an acute infection. He was treated with IV antibiotics and placed on oral meds as well. He is feeling better but needs prayer for recovery as they determine the cause. (2/23)
- Heather Martin requests God's help in reconciliation with her two daughters who have been estranged for years. Please pray the obstacles will be removed and the Holy Spirit will soften hearts and restore relationships. (2/23)
- Jackie has a very close friend, Tunde, in Las Vegas who lost her father about 5 months ago. Now her mother is in the hospital with pancreatic cancer that has metastasized into her stomach. She will be placed on Hospice Care. Please pray for them during this very difficult time. (2/23)
- Jackie sent in an update on her friend, Jenna. As previously noted, Jenna had surgery for a brain tumor just before Christmas. A couple of weeks later they found that the tumor had already started growing back. She was immediately treated with radiation therapy until the end of January. Since then, she has had problems with swelling in her brain and is on medications to help reduce the swelling. She is in very fragile condition and needs prayer. Please lift Jenna and her family up in prayer during this very difficult time. (2/21)
- Update on McKay's mother (Esther) who suffered a broken hip last week. She had a partial hip replacement, has made excellent progress and was sent home on 2/19. She will have home Physical Therapy and the support of two of her daughters. Praises to God for her ongoing recovery and positive attitude. Thank you for prayers on her behalf. (2/20)

PRAISES & REQUESTS

- Pray for Micah Payne, Pastor Rodney's nephew. Update: Micah was released to go home on February 16. Micah is a freshman at Walla Walla this year and was working on a construction site when a balcony's temporary floor broke loose and he fell 30' to concrete. On the way down he was slowed, it seems, by a lower balcony. He suffered a skull fracture, a small brain bleed and general shock to his body but otherwise no other broken bones. Praise God because the injuries could have been so much worse. Please pray for his care and recovery. (2/16)
- Update on Mark Fernquist. Mark was in the hospital for severe edema related to congestive heart failure. They were able to diurese off many pounds of fluid which allowed his breathing to improve and severe leg edema to resolve. He is now home and getting care from family members and visiting nurses. Thank you for your prayers for ongoing recovery. (2/15)
- Cindy Mohr requests: "I would like to ask for prayers for the husband of a friend. His name is Ray. He contracted Encephalitis about 3 weeks ago. He is still in the hospital. Some progress has been made but seems to be many setbacks as well. Mindy shares every morning seems like the movie Groundhog day. When Ray wakes up, he doesn't remember where he is, why he's in the hospital, and is often fearful and angry that he isn't allowed to go home. Please pray for the medical team, for Ray and for Mindy. This is a terribly difficult and scary illness. Thank you." (2/15)
- Pray for those affected by the wars in Russia and Ukraine and those in Israel and Palestine. Pray for an end to the evil we are seeing in our world. May Jesus come quickly.
- *Prayer requests will remain on the list for three weeks unless an update is provided. An update or a request to remain on the list is needed past those 3 weeks. Thank you.*
